

SMART SAVER PROGRAM TIP #23

Get with the program.

Enroll now to save money, increase energy reliability during peak demand and help protect the environment. More than 120,000 households are already saving with Demand Conservation.

Option #1 Get paid to switch.

We'll credit your bill \$5 per summer month – up to \$20 a year – when you have a switch placed on your central air conditioning unit or heat pump. Additional credits are available for electric water heaters and pool pumps.

Option #2 Save with a programmable thermostat.

Let us install a programmable thermostat to help you save 10 to 20 percent every year on your heating and cooling bills. The Demand Conservation switch is inside the thermostat.

To enroll, complete the form on the back and return it with your next bill payment. You can also enroll by visiting e-on-us.com/dc or calling 1-800-356-5467.

an *e-on* company

Yes. I want to be a Smart Saver!

Enroll me in your Demand Conservation Program today.

Select the option you prefer – either the traditional air conditioning switch

(\$5 per summer month bill credit) or programmable thermostat (potential for year-round savings):

- Option #1** (Air Conditioner Switch)
- Option #2** (Programmable Thermostat)
- Sign me up for the water heater switch (I have an electric water heater) so I can receive an additional \$2 per summer month bill credit (up to \$8 per year).

Complete this form and return it with your next bill payment:

Name _____

Service Address _____ City _____

Zip _____ Daytime Phone _____ E-mail Address _____

Account Number (Optional) _____

Sign up for additional savings!

We can install a device on your electric water heater when you enroll in either the air conditioning switch or programmable thermostat option.

Receive an additional \$2 per summer month credit for each electric water heater you enroll.

The savings do add up.

Sign up today by completing the card or visiting eon-us.com/dc. You can also enroll by phone at 1-800-356-5467.

an **e-on** company

Return this form with your bill payment, and we will enroll you in the program. For programmable thermostat requests, someone over the age of 18 must be present at the time of installation. You may also enroll on the Web at www.eon-us.com/dc or by phone at 1-800-356-5467.

Be a Smart Saver.
